QuickScreen 1 *Single-Sided*

The QuickScreen 1, which is offered in silver and black, sets up in less than 30 seconds. The supporting pole and graphic store in the base of the unit. When ready to display simply attach the pole perpendicular to the base and pull the banner up to attach to the top of the pole. The QuickScreen 1 is also well suited to use as a tabletop by making it one or two sections high.

QuickScreen 2 *Double-Sided*

The QuickScreen 2, portrays the same concept as the QuickScreen 1, but allows you to have a double-sided banner unit. This versatile unit provides the benefit of displaying your message in two directions as well as separate images that can be used together or independently.

QuickScreen 3 *On-Site Interchangeable Graphic*

If you like the ability to change your graphics from show to show, day to day, or hour to hour then the QuickScreen 3 is the optimal choice. With graphic cassette storage, you can easily exchange your images on-site in just a matter of seconds.
